The Manager's Message

Everyone loves a winner. The University of Kentucky is famous for their basketball program and they win much more often than they lose. Many people can name all the winners of American Idol and not even think about it. Conventional wisdom says that there is no second place, just the first loser.

The Apostle John said, *"And this is the victory that has overcome the world - our faith."* Being faithful until death ensures that we will step into Victory Lane in the kingdom of God. This Victory Lane is set for an eternity and we must simply be obedient to God's commands for us.

The theme for 2010 is "God Is My Victory Lane." Victory Lane is where every one of us wants to end the race of our lives. The only way to stand in God's Victory Lane is to obey the rules and run the race to the best of your ability.

We welcome you to Faith Christian Camp for the summer of 2010 and look forward to helping you learn to run the race of life in such a way that you will stand in Victory Lane when Jesus returns to take His winner's to heaven.

Attitude - Christian conduct and character is expected at all times.
